## CHERYL RICHARDS QUINTET

Vocalist **CHERYL RICHARDS** has performed at NYC venues including the 55 Bar, Café Bohemia, the Stone, Greenwich Music House, Why Not Jazz Room, Cornelia Street Café, and Zeb's in Manhattan as well as iBeam, Roulette, Galapagos Art Space, The Drawing Room, and Mirror Teahouse in Brooklyn. Her debut jazz album, "If Not For You," was released on New Artists Records in 2015.

**"Cheryl is fearless and concentrated, concise and loose, with a bell-like clarity and dream-perfect intonation...and her restructuring of the melodies sets you down, the effect being that the lyrics tell another different story than the one you've become familiar with."** – Mark Weber, [metropolis.free-jazz.net](http://metropolis.free-jazz.net)

**"It can be hard to find new things to say in old songs, but after many years of singing the standards, some singers are still able to discover the secret of a song. Cheryl Richards is a shining example of a singer who has been able to prove the relevance of the standards for a modern audience."**– Jakob Baekgaard, All About Jazz

**"If you love superb vocal jazz improvisation, you'll fall in love with her high-energy talent right away."**  
– Dick Metcalf (Rotcod Zzaj)
